Bill Payment Service

You may use Credit Union of Denver's bill paying service, known as "Bill Pay", to direct Credit Union of Denver to make payments from your checking account to the payees you choose in accordance with the provisions of Credit Union of Denver's **Bill Payment Agreement and Disclosures**. The terms and conditions of this Agreement are in addition to the Account Agreements, disclosures and other documents in effect from time to time governing your Account. In the event of a conflict between the terms and conditions of this Agreement and the terms of your other Account Agreements with the Credit Union, the terms and conditions of this Agreement will govern.

Definitions

As used in this Agreement, the following terms are defined. "You" or "your" means the person who accepts and agrees to the Bill Payment Agreement or is otherwise authorized to use the Service. "Payee" means anyone you designate to pay and the Credit Union accepts as a payee. "Credit Union" means Credit Union of Denver. "The Service" means the Bill Pay service.

Use of a Third-Party Bill Pay Service-Provider

FIS (Fidelity Information Services) is the third-party bill pay service provider that Credit Union of Denver has contracted with to provide bill pay service to its members. FIS will be processing bill payments utilizing the FIS Payment Manager system. Credit Union of Denver, at its sole discretion, reserves the right to change online Bill Pay Service providers, or cancel this service at any time, without prior notice to you.

TYPES OF AVAILABLE TRANSFERS AND TRANSACTIONS

- "One-Time" payments are payments that are not reoccurring.
- "Recurring" payments are payments that are reoccurring on a fixed interval and fixed amount. You have an option in online banking to set Automatic Payments to continue for a specific number of payments.

LIMITATIONS AND FEES

- You may only designate your Checking Account as the account from which payments you authorize will be deducted. The Checking Account must be current and active with no restrictions. You will be given the ability to set up merchants, institutions or individuals to whom you would like to schedule payments. Payments outside of the United States are prohibited.

- Transfers from a share account, savings account and money market will be limited to six (6) total in any one calendar month. This is in accordance with REGULATION D.
- Credit Union of Denver reserves the right to deny the designation of or make payment to any particular merchant, institution or other categories of payees. We also reserve the right to refuse to pay any person or entity to whom you may direct a payment using Bill Pay. You will be notified promptly if any person(s) or entity(ies) designated by you will not be paid. This notification is not required if you attempt to pay tax, court related payments or payments outside the United States, its possessions/territories (American Samoa, Guam, Marshall Islands, Micronesia, N. Mariana Islands, Palau, Puerto Rico and the Virgin Islands), which are prohibited under this Agreement.
- The following payment types are prohibited through the Service.
 - Payments in other than US dollars.
 - Payments to Payees outside the United States or its possessions/territories as detailed in the Limitations section of this Agreement.
 - Payment to third parties for transactions that may in the sole and absolute judgment of the Credit Union be illegal.
 - Payments to anyone deemed to present a risk to the Credit Union.
- Tax payments (such as state, local, or federal), time sensitive payments, or court ordered payments (such as alimony, child or spousal support), should not be scheduled through the Service.

In no event shall the Service be liable for any claims of damages resulting from your scheduling of these types of payments. The Service has no obligation to research or resolve any claim resulting from an exception payment.

Payment Methods

The Bill Pay Service will select the method in which to remit funds on your behalf to your payees. Payment will be made to your Payee either electronically via the Automated Clearing House (ACH) or by check. The method of payment depends upon the processing method that can be accommodated by the Payee.

How To Set Up Payees/Payments

When you sign onto the Bill Pay system you will establish your list of payees by selecting the **Pay Someone New** field, under the **Make Payments** screen. At a minimum, you will need the account numbers for each bill you want to set up and the nine-digit zip code where the payments are to be remitted, (nine digit ensures better accuracy that the payments will get where they need to go). Since FIS has relationships with so many payees, there will most likely be a large number of payees where you only have to provide this information. The next screen will appear, showing the remittance address on file and telling you typically how long it takes for the payments to arrive. Verify the remittance information matches your statement then click Go to **Make Payments**, add in an amount and a date. If the payee does not accept electronic payments, the service will generate a paper check for payment.

If your payee is not on the FIS list, you will need to fill in all required fields;

- Account Number (if they have one)
- Remittance Address (address, city, state, nine-digit zip code)
- Phone (optional – but if there is a problem with the payment, FIS will use the number to contact the payee)

The Credit Union reserves the right to refuse the designation of any payee for any reason and without prior notice to you. The Credit Union is not responsible if a Bill Payment can not be made due to incomplete, incorrect, or outdated information provided by you regarding a payee.

Delivery Time

Delivery time is set by the bill payment method. Electronic payments take a minimum of three (3) business days for processing. Paper checks take a minimum of five (5) business days for mail delivery and processing. The Credit Union & FIS cannot guarantee the time that any payment will be actually received by a payee or credited to your account by the vendor and will not be liable for any service fee, late charge, or finance charge. You must allow sufficient time for payees to process your payment after it is received. Please allow at least a five (5) day lead-time prior to your payment due date. It is your responsibility to schedule your bill payments in such a manner that your obligations will be paid on time.

FOR RECURRING PAYMENT REQUESTS, IF YOU DESIGNATE A PROCESSING DATE OF THE 28TH THROUGH THE 31ST OF A MONTH, THE PAYMENT WILL BE PROCESSED ON THE DATES YOU HAVE DESIGNATED, UNLESS SUCH DATE FALLS ON A NON-BUSINESS DAY RESULTING IN YOUR PAYMENT BEING PROCESSED ON THE NEXT BUSINESS DAY.

Processing Payments

The Credit Union will process payments on business days (generally Monday through Friday, except holidays) you designate the bill to be processed, provided the payment request is received prior to the cut-off time set by the Credit Union, which is currently 12:00 a.m. MST. Bill payment requests received after the business day cut-off time or at any time on a non-business day will be processed on the next business day. If you do not allow sufficient time, you assume full responsibility for any late payments, finance charges or service fees that may be imposed as a result of your failure to transmit a timely Bill Pay authorization. The Credit Union reserves its right to change the cut-off time upon reasonable notice to you.

By scheduling a payment through Bill Pay, you authorize the Credit Union to debit your Checking Account and remit funds on your behalf. You certify that your Checking Account is an account from which you are authorized to make payments and any payment you make will be debited from this account. You also authorize the credit of any returned payments by using the Bill Pay Service. The service will use its best efforts to make all of your payments properly.

ALERTS

With Bill Pay Alerts, you can ask us to send you automated messages about your account to your email address or to your mobile device. Each Alert becomes effective after you setup and activate it in the Alerts menu. There may be some Alerts that are automatically generated by the Bill Pay system.

You can manage the types of your Alerts, and you can suspend or stop certain Alerts at any time. However, there may be some Alerts generated automatically by the Bill Pay system that you can not suspend or stop. We reserve the right to change the types of Alerts available or terminate Alert service at any time without notice to you. Please be aware that Alerts are not encrypted, so anyone with access to your e-mail or mobile device will be able to view your Alerts and their contents. Depending upon which Alerts you select, they may include information such as when a payee is added

or changed, if a payment is unsuccessful, or other payment/payee-related information.

Alert information may also be subject to time lags and/or delays. We do not guarantee the delivery, timeliness nor accuracy of any Alert, whether within or outside our control. In requesting Alerts, you agree that the Alert service is a courtesy to you, and as such Credit Union of Denver will not be liable for any delays, failure to deliver, or misdirected delivery of any Alert; any errors in Alert contents; or any actions you or anyone else may take or not take in reliance on an Alert.

Alerts are sent to the email address and mobile device number you specify. If you change your email address or mobile device number, you are responsible for informing us of the change.

- We determine in our sole and absolute discretion that the advance or transfer is unlikely to be repaid by you or presents a risk of loss to the Credit Union.

You agree to pay us all funds advanced from your Overdraft Line-of-Credit Loan under this agreement and your Loan Agreement in file, plus any FINANCE CHARGE imposed thereon and such service charges and fees as we may impose from time to time to clear or return debit items presented to us for payment from your account. Please see your Overdraft Line-of-Credit Loan documents or other loan agreements, with us, for disclosures and other terms and conditions governing such agreements.
